SAFER RECRUITMENT POLICY

Updated: January 2016

Review Date: January 2018

Responsible Member of Staff: Vivienne Lambert-Blackwood

Responsible Nominee (from Proprietary Board): Chester Morrison

A. Introduction

SAFER RECRUITMENT

Birmingham Independent College (BIC) emphasises the importance of safeguarding the children in our care and this policy should be read in conjunction with the school Safeguarding Policy. Our safeguarding responsibilities inform our practices throughout the recruitment and selection process. We have given careful consideration and attention to the guidance provided by the Department for Education (DfE hereafter) in “Keeping Children Safe in Education” (KCSIE hereafter) issued July 2015. In order to help safeguard and promote the welfare of all pupils, the school is committed to a thorough and consistent Safer Recruitment Policy.

B. Aims, Purpose and Scope

This policy is designed to facilitate good recruitment and selection practice and ensure the school meets all legal requirements and best practice towards the safeguarding of children in the school.

This policy covers the recruitment and selection process from the planning and advertising of vacancies through to appointment and induction. It is intended as a guide for all staff involved in the recruitment and selection process and follows best practice guidance from the Chartered Institute of Personnel and Development (CIPD) and KCSIE. We aim to conduct all recruitment and selection of staff in a professional, timely and responsive manner.

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant then they are required to declare this as soon as they are aware of the individual’s application.

C. Roles and Responsibilities

The SLT/Governing Body of the school has the responsibility to ensure that effective policies and procedures are in place for recruitment of all staff and volunteers.

The SLT and managers involved in recruitment have the responsibility

1. to ensure that the school operates safe recruitment procedures and makes sure all appropriate checks are carried out
2. To monitor contractors’ and agencies compliance with our policy and legislative requirements
3. To promote the welfare of children and young people at every stage of the procedure.

The Head of College and Operations Manager have the responsibility to lead and manage all recruitment and make final decisions on appointments. However, the responsible nominee may be consulted and involved in the process as appropriate. A record of staff trained in Safer Recruitment is kept by the main office.

D. Recruitment and Selection Procedure

1. Vacancy, Job Description and Person Specification

Once a vacancy is identified a Job Description and Person Specification are written or reviewed and updated as necessary. The ideal start date is identified and the recruitment timetable is planned out as far as is practicably possible, working backwards from this date.

2. Advertising

Vacancies at BIC are advertised usually online. We also use recruitment agencies as appropriate for each vacancy. All advertisements we publish state: "BIC is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The successful applicant will be subject to an Enhanced DBS check." Where we use employment agencies we obtain written confirmation from them that they have carried out all the appropriate checks on staff supplied and that those are satisfactory.

The Employment Vacancies section of our website, states that we are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. A link is provided to our Safeguarding and Child Protection Policy and our Policy on the Recruitment of Ex- Offenders is available upon request. We also state here that successful applicants will be subject to a Disclosure and Barring Service Enhanced check, previously known as a Criminal Records Bureau (CRB) check, where we are legally entitled to do so.

When candidates contact us for application packs their attention is specifically brought to our Safeguarding Policy at this, their first contact with the school.

The updated Job Description and Person Specification are available on the website along with the job advertisement, standard application form and details of how to apply.

3. Application Form

All candidates are required to complete in full and sign our standard application form ([Appendix A](#)). We require information on full academic and employment history; suitability for the role; referees; a declaration about Criminal Record Checks and the DBS Children's Barred List and a declaration of eligibility to work in the UK. We also state here that the provision of any false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected and possible referral to the police and/or the DBS.

The application form front page has clear "Explanatory Notes" to facilitate the completion of the form correctly and to provide the necessary legal information. We also explain clearly the pre- appointment checks upon which any offer of appointment is conditional.

Upon receipt all applications are acknowledged by email. Each application is checked for anomalies, discrepancies and any unexplained gaps in employment history to be highlighted, before shortlisting takes place. Applications are shortlisted by the recruitment panel which usually comprises the Head of College and Operations Manager.

4. References

Shortlisted candidates' references are taken up immediately. We state on our application form that we contact referees prior to the interview process. A copy of our Reference Questionnaire template is in ([Appendix B](#)). On receipt of references the information provided is checked for accuracy against the information that has been provided by the applicant on their application form. Any discrepancies or areas of concern will be taken up with the applicant at interview where possible. We also contact the referee by telephone to verify the reference provided. Where we obtain telephone references we then follow up with requests for written references.

5. Interviews / Selection Days

All candidates are asked to bring with them DBS, proof of their identity, right to work in the UK and their qualifications. Only original documents are accepted which are verified by sight (copies to be taken upon appointment). All documentation is required to be in accordance with the Immigration, Asylum and Nationality Act 2006 and the DBS Code of Practice Regulations.

Applicants for teaching roles are invited to attend a selection day. For other roles we hold interviews and tours of the school. The teaching candidates are also given a tour of the school with selected pupils; are asked to teach a class whilst being observed.

All formal Interviews cover the applicant's suitability for the role and suitability to work with children, exploring any gaps or anomalies in the application form and ensuring safeguarding criteria are met. At least one member of the interviewing panel will have had safer recruitment training.

Interview notes are collated, along with feedback from other teachers and colleagues who have met the candidate. The recruiting manager or selection panel decide on the successful applicant.

The successful applicant is contacted by the Head of College by telephone and unsuccessful applicants are advised by email. Any unsuccessful applicant who requests feedback will be given verbal feedback.

6. Offer of Appointment

A Conditional Offer of Appointment is made in writing to the successful candidate: the offer is made subject to

1. Production of proof of eligibility to work in the UK
2. Receipt of at least two references satisfactory to the school (if these have not already been received).
3. Verification of identity and qualifications.
4. A Barred list check.
5. A satisfactory DBS Certificate at the enhanced level.
6. Where the successful candidate has worked or been resident overseas in the previous five years, such checks and confirmation as the school may require in accordance with the statutory guidance.
7. A satisfactory check of relevant regulatory body sanctions, for example Prohibition Orders (for both teaching and management roles) as imposed by the Department of Education.
8. A probationary period of one year for teaching.
9. Medical fitness for the role and duties.
10. The entries on the application form proving to be complete and accurate.

There is a checklist on the candidate's Personal File, held in the main office. Once all requirements have been met a start date is agreed.

7. Starting Employment

Upon starting employment, as part of the Induction process, each employee is given Child Protection Training by the Operations Manager. In so doing we are meeting our obligations as an employer, reinforcing our commitment to ensuring that the school is safeguarding children and employees alike.

8. Record Keeping – the Central Register.

All required employee information is recorded in the single central register – a record of recruitment and vetting checks. Details are kept on all employees who are employed to work at the School, and all who are employed as supply staff to the School, whether employed directly or through an agency.
