For ESOL Students it is recommended that you have at home:

- A bi-lingual dictionary for your first language e.g. Spanish/English
- A thesaurus

10. Homework/Pink Slipped/Permission Slips

Homework is an important part of your education. We believe that it helps you learn faster. You will get regular homework, including tests each week. It is important that you **always remember to do your homework.**

Students must:

- listen to homework instructions in class
- copy down instructions for the task and deadline date into the homework diary
- ensure that homework is completed and handed in to meet the deadline
- try and do **their** best (homework must be completed by the student)
- inform the class teacher of any difficulties

Parents and guardians can also support their children with their homework by:

- Providing somewhere quiet to do homework with a table and a chair
- Encouraging them to avoid leaving homework until the last minute
- Checking that they take their homework to college

If you do not complete your homework the following sanctions will apply:

- If a student fails to complete any piece of homework they will be given a 'YOU'VE BEEN PINK SLIPPED' to take home. This slip means that a student has not handed in homework and this will be recorded on their file. On receiving a Pink Slip students will be given an extra piece of homework and will need to hand in both pieces of homework the college next day.
- If the student received 2 Pink Slips (fails to complete homework more than 2 times within a 2-week period) a letter of warning is sent home and the student will meet with Miss McIntosh, the Head of College, to discuss ways to organise and manage homework.
- If this behaviour continues, the student will face a week of sanctions. This will include a meeting with Miss McIntosh, parents and the student to discuss further action. This may result in the student staying later at college, detention for 10

minutes at lunchtime or other appropriate sanctions to help students recognise the importance of homework.

Students are not allowed to leave the building under any circumstance between the hours of 8.45am and 3.00pm, unless authorised to do so.

During class times students should only leave their lesson with a permission slip.

11. Attendance

Parents/carers must make sure their children receive a full-time education that meets their needs.

Where children are not receiving a full-time education, and there isn't a good reason why not, parents may have to pay a fine. Parents may also have to attend court where they could receive both a fine and a criminal record.

In order to do well in school, children must:

- Attend regularly, and
- Be punctual

Did you know?

- 5 minutes late every day means around 3 ½ days of education are missed
- A score of 90% in a test would be a good result but 90% attendance means that a child will have missed around 100 lessons over a school year.

Sanctions for lateness

Arrival after 8.45am could lead to students receiving sanctions. For every 5 minutes that a student arrives after 8.45am they will receive a 20 minutes detention on the day of lateness. If a student arrives later than 9.15am parents/carers will be contacted and asked for a written statement as to why their child is late. Unless a valid reason is given students arriving after 9.15am will be given an hours detention on the date of lateness.

For persistent lateness, more than 2 times in a month, which incurred a detention, parents will be contacted to attend a meeting to discuss ways of improving their child's attendance.

12. BIC Code of Conduct

At BIC we foster strong and positive relationships with every student by promoting attitudes of tolerance, mutual respect and confidence. We expect students to try their best and commit themselves to the highest standards of behaviour.

We expect our students to:

- Learn without disruption

- Do their best
- Be polite and courteous to teachers and other students
- Act with honesty and responsibility
- Be punctual
- Have a positive approach to all aspects of college life

We will not tolerate:

- Dressing inappropriately and immodestly

13. Facilities

- Toilets - there are separate male and female toilets on the ground floor

14. Leave of absence/holidays/illness

If you are unable to attend college during term-time (e.g a medical appointment, family emergency) please contact college **before the day**. It is very important that you attend college every day so **please avoid taking family holidays in term-time**. Medical appointments, where possible, should be made after college has finished.

If you miss college you must make time to catch up on any missed work and be available for extra lessons if necessary.

15. Free School Meals

If you believe you are entitled to free school meals please speak to Ms Lambert, who will make the necessary checks and confirm if you will receive free school meals.

16. Free Bus Travel

Students who are referred to BIC from Birmingham's Pupil Placement, only, maybe entitled to free bus travel. If your registered address is more than 3 miles away from the college's address (B6 5NU) you may be entitled to apply for a free bus pass. The pass will be available to use during term time.

If you are entitled and are aged 15 years old or under, you will be asked to purchase a child monthly bus pass and then bring it into college so it can be reimbursed to your parent/guardian. If you think you are entitled to apply for a bus pass please speak to Ms Lambert.

If you are entitled and are aged 16 years old you will need to apply for a student travel card from Travel West Midlands. If you are 16 years old you are classed as an adult and will have to pay adult prices to travel on public transport. However, a travel card will entitle you to travel at child prices.

If you want to apply for a travel card you will be given a unique verification number, which you will need to apply for the travel card on-line, you will have to pay a fee of £10 for the card. This card can be used until you are 18 years old, if you are still in education, for travel during term time. When you have received your card you must purchase a child monthly bus pass and then bring it into college so it can be reimbursed to your parent/guardian. If you think you are entitled to apply for a bus pass please let Ms Lambert know.

17. Growth Mindset

In February 2016 BIC launched its Growth Mindset programme. This programme aims to establish a 'growth mindset' in all of our students. In contrast to a 'fixed mindset', a 'growth mindset' recognises that nobody's intelligence is fixed. It embraces the potential that talents and abilities can be developed through effort, good teaching and persistence. At BIC, failure is viewed as an opportunity to learn and improve abilities; and of utmost importance is resilience and determination to keep going in the face of a challenge.

We work to develop a growth mindset in our students in order to avoid the fixed mindset that often limits their learning potential. We want our students to achieve their full potential, **to be the best that they can**, and our Growth Mindset programme helps turn a 'can't do' attitude into a 'can do' attitude. We expect our students' families to support this mindset and we will send out further guidance to help you do this.

18. BIC Mobile Phone/Devices Policy

Students are not allowed to have mobile phones/or devices whilst in school.

All students **MUST** put their mobile phones and/or devices into their named mobile phone container as soon as they arrive at college.

Student mobile phone containers are held at reception and will be locked away until the end of the college day.

Students who do not hand in their mobile phone and/or devices will have it/them taken away from them and have it returned at the end of the next college day (parents will be informed) - plus 1 hour detention as a sanction.

If a student does not hand in their mobile phone and/or devices for a second time their phone will be taken away from them and return when their parent/carer comes into college and collects it – plus 1 hour detention for 3 days.

If a student does not hand in their mobile phone and/or devices for a third time their phone will be taken away from them and return when their parent/carer comes into college and collects it, at which point the students sanctions will be formerly reviewed.
